14. PREPAID CARD PURCHASE AND MONETARY EXCHANGE

14.1 You can use your Card to purchase goods and/or services from a merchant either online or at a point of sale terminal anywhere that accepts the Card. In such an event we will redeem Electronic Money in your Mogli Electronic Money Account and the merchant will be sent, less any fees from Mogli (acting as Card Issuer), the equivalent amount of money. You will need to follow the instructions on the relevant website or point of sale machine to perform the Card Purchase. This may involve you entering the details of Card (the card number, expiry date and CVC number) or your Card PIN.

14.2 If you choose to be charged for your purchase in a currency other than the currency for which you hold enough Electronic Money in your Mogli Electronic Money Account, then our Exchange Rate will be used.

14.3 Where the merchant offers a currency conversion to you and you choose to authorise the payment transaction on the basis of the merchant's exchange rate and charges, Mogli has no liability to you for that currency conversion. You can find more information on this at our website under frequently asked questions.

15. RECEIVE ELECTRONIC MONEY

15.1 If you receive Electronic Money into your Mogli Electronic Money Account, we will send a notification to the Mogli eWallet and display the payment in your Mogli Transaction History.

15.2 You can request a payment from another Mogli User by using the "Request Money" function or the "Split Bill" function or other functions made available to you from time to time on the Mogli eWallet. You should only use this function for amounts owed to you and that are due for payment in full. This service may not be used as a debt collection or enforcement tool.

16. EXCHANGE RATES

16.1. The "Exchange Rate" means the:

- "Standard Exchange Rate"; or
- "Non-Standard Exchange Rate"

depending on the value of the Electronic Money Exchanges and Monetary Exchanges carried out by you in the given month and whether you are a Standard User or a Prime or Pro User, further details of which are set out in the Fees Section.

- 16.2 Generally, for major currencies during FX market hours the Standard Exchange Rate will be the interbank rate. However, in certain circumstances, it is not possible for the Standard Exchange Rate to be the interbank rate including when the FX market is closed on weekends or on bank holidays or when your Exchange Rate involves illiquid currencies. It may also not be possible for the Standard Exchange Rate to be the interbank rate due to other external factors such as volatile market conditions, a system failure of Mogli or any other external factors. In such instances, the Standard Exchange Rate will be different from the interbank rate. Please see the Fees Section for more details.
- 16.3 We will use the Exchange Rates set out in the Fees Section, where we can, however you will be informed (where possible) of the exact Exchange Rate for each Mogli Transaction prior to your entry into the same. It is your responsibility to ensure that you are happy with the Exchange Rate we offer you, prior to entering into each Mogli Transaction. In addition, our live exchange rates are available on the Mogli eWallet.

17. YOUR BALANCE AND NEGATIVE BALANCES

- 17.1 You acknowledge that balances and available funds reported on the Mogli eWallet are only approximate real time balances rather than the settled balances in your Mogli Electronic Money Account. A real time balance may not take into account pending debits and credits. Mogli will provide you with information on pending debits and credits as soon as it has that information.
- 17.2 If for any reason (including, but not limited to, any technical errors on our behalf or on behalf of our third-party providers) you have a negative balance in your Mogli Electronic Money Account, you agree to immediately Top-Up the required amount to correct the negative balance, such amounts being due without the need for previous notification. If you fail to do so:
- we may exercise our right of set-off in accordance with Clause 22 (Our Right to Set-Off) of these Terms;
 - initiate a chargeback procedure for any specific transaction which led to your Mogli Electronic Money Account having a negative balance;
 - take debt collection measures including but not limited to mandating a debt collection agency or solicitors or to pursue the claim in court. We reserve the right to charge you the expenses we reasonably incur in connection with any debt collection or enforcement efforts;
 - if Mogli requests that you complete a Top-Up in order to correct a negative balance and you fail to do so within 7 Business Days, you authorise us to initiate a payment transaction for the amount of the negative balance (or the equivalent in another currency) from one of your Stored Cards or User Bank Accounts.

18. SECURITY

18.1 You must ensure that you take all reasonable steps to:

- ensure that your Mobile and your Mobile PIN is kept safe and secure;
- ensure that access to the Mogli eWallet is kept safe and secure; and
- ensure your Card PIN and other unique numbers (including CVC, expiry and card number) are kept safe and secure.

18.2 The requirement in Clause 18.1 includes, but is not limited to, for the avoidance of doubt you:

- closing the Mobile App every time you are not using it;
- keeping the Mobile you use to gain access to the Mogli eWallet safe and secure and locked with a secure password or other security mechanism;
- not writing down or telling anyone your Mobile PIN;
- changing your Mobile PIN regularly;
- if you receive any SMSs or emails, questionnaires, surveys, or other links that require you to provide your Mobile PIN, not providing your information and contacting our customer services team via the chat function on the Mogli eWallet;
- ensuring that the Mobile and e-mail account(s) you use to communicate with us are secure and only accessed by you, as the Mobile and e-mail address may be used to reset your Mobile PIN or to send information relating to the security of the Mogli eWallet;
- if at any time you think that your Mobile PIN has been lost, stolen or any other person knows your Mobile PIN or anyone has access to your e-mail account or Mobile you use to communicate with us, informing customer services immediately via the chat function on the Mogli eWallet;
- keeping your Card safe and secure;
- not writing down or telling anyone your Card PIN or details of the Card;

Disable your Card via the Mogli eWallet or otherwise report to us, at any time if you think the security of the Card is at risk, for example, if it is lost or stolen;

18.3 All Mogli Transactions are processed by automated methods, and anyone who obtains access credentials to the Mogli eWallet or access to a Card could use it to enter into Mogli Transactions without your permission. If you notice misuse, theft or unauthorised use of your Mobile, Card, Mobile PIN or Card PIN or any other activity that makes you suspicious, you must contact the customer services team and if possible enable the appropriate security features on the Mobile App. If you suspect identity theft or theft of Electronic Money, we suggest that you contact your local police as well.

We reserve the right to suspend your access to your Mogli Services if we are not paid any monies owing to use by you on time.

36. TERMINATION

36.2 You may terminate these terms at any time by the end of the month providing us with minimum 30 days notice, such notice to be provided using the chat function on the Mogli eWallet.

36.3 Without prejudice to any rights that have accrued under these Terms, or any party's other rights or remedies, either party may at any time terminate these Terms with immediate effect by giving written notice to the other party if:

- the other party commits a material breach of any term of these Terms and (if such breach is remediable) fails to remedy that breach within a period of 30 days after being notified in writing to do so;
- the other party repeatedly breaches any of the terms of these Terms in such a manner as to reasonably justify the opinion that its conduct is inconsistent with it having the intention or ability to give effect to the terms of these Terms;
- the other party is subject to a bankruptcy, insolvency, winding up or other similar event; and/or
- the result of laws, payment scheme rules, regulatory authority rules or guidance or any change in or any introduction thereof (or change in the interpretation or application thereof) means that it is unlawful or contrary to any such law, rules, order or regulations for either of the parties to perform or give effect to any of its obligations hereunder and such obligation cannot be readily severed from these Terms.

36.4 Without prejudice to any rights that have accrued under these Terms or any of the party's rights or remedies, we may at any time terminate these Terms with immediate effect by giving written notice to you if:

- we are unable to verify your information in the manner set out in these Terms;

- we are unable to provide the Mogli Services to you through the inability of any third party to provide us with any good and/or service that we require to provide the Mogli Services to you.

36.5 Other actions we may take. If you have breached the terms of these Terms (including a breach of your obligation to pay us any amount owing), we are otherwise entitled to terminate these Terms, or we may: suspend your use of the Mogli Services (in whole or in part) in which case we will not treat any order for a Mogli Transaction that you may wish to make as being received by us; report any Mogli Transaction or any other relevant information about you and your use of the Mogli Services to the relevant regulatory authority, law

enforcement agency and/or government department; and/or if appropriate, seek damages from you.

36.6 Termination of these Terms requires the closing of your Mogli Electronic Money Account in accordance with Clause 26 and the termination of all Cards and the associated Cardholder Terms (as applicable). Mogli will deal with your remaining balance in accordance with these Terms and the Cardholder Terms (as applicable).

36.7 Any terms which by their nature should survive, will survive the termination of these Terms.

37. THIRD PARTY PROVIDERS

37.1 You can choose to allow a Third Party Provider (TPP) to access information on your Mogli Account, to combine and display information about your Mogli Account with information from accounts you have with other payment service providers, and, if applicable to your Card, to make payments for you from your Mogli Account, provided the TPP is authorised by the FCA or another European regulator and you have given your explicit consent.

37.2 If you do, you must keep us informed of any incorrect or unauthorised transactions that happen so we can take steps to stop further misuse of your Card and arrange any refund you've been entitled to.

37.3 If you are thinking of using a TPP, it is important you check with the applicable regulator whether it is authorised before you use it.

37.4 We can refuse or stop access to a TPP if we're concerned it isn't authorised or if we believe it's fraudulent or acting fraudulently. If that happens, we'll contact you to explain why unless we believe that would compromise our security or it would be unlawful.
